COMMENTS INVITED ON APPLICATION OF SBC LONG DISTANCE LLC D/B/A AT&T LONG DISTANCE TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 07-212
Comp. Pol. File No. 834

Comments Due: October 15, 2007

Section 214 Application

Applicant: SBC Long Distance LLC d/b/a AT&T Long Distance

On September 21, 2007, SBC Long Distance LLC d/b/a AT&T Long Distance (SBCLD or Applicant), located at 1010 N. Saint Mary's Street, Suite 13L, San Antonio, TX 78215, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of a certain domestic telecommunications service in Georgia, Mississippi and South Carolina.

SBCLD indicates that it currently offers interstate residential local exchange service in Georgia, Mississippi and South Carolina. SBCLD explains that this service is basic telephone exchange service that allows customers to make local calls within a local exchange, which includes local calling areas that cross state boundary lines. SBCLD states that it plans to discontinue this service in Georgia, Mississippi and South Carolina on or after October 31, 2007, subject to Commission authorization. SBCLD maintains that there are many alternative providers of local exchange telephone services in the affected areas, including but not limited to Comcast, 1-800-Reconnex and Charter Communications. SBCLD states that it notified affected customers in Georgia of the proposed discontinuance by letters sent via U.S. Mail on September 18, 2007. SBCLD indicates that it does not have any customers that subscribe to this service in Mississippi or South Carolina. Finally, SBCLD asserts that it is non-dominant with respect to the service it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, SBCLD's application will be deemed to be granted automatically on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies SBCLD that the grant will not be automatically effective. In SBCLD's application and notice to customers, SBCLD indicates that it anticipates discontinuing service on or after October 31, 2007. Accordingly, pursuant to section 63.71(c) and the terms of SBCLD's application and notice, absent further Commission action, SBCLD may terminate service in Georgia, Mississippi and South Carolina on or after **October 31, 2007**. The Commission normally will authorize

proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **October 15, 2007**. Such comments should refer to **WC Docket No. 07-212 and Comp. Pol. File No. 834**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
